

# Geography is destiny

## Pre-task:

Think of examples of typical social life, outdoor/indoor activities and natural tourist attractions in your country.

Image 1

Image 2

## Task 1:

Discuss with your partner how geographical and meteorological features affect a country's lifestyle and economy. Use examples from your respective countries.

Mountain range

Coastline

Man-made structures

Riverbank

Stream

Valley

Pond

Precipitations / Rainfall

Level of humidity
