

Living in another country

Pre-task:

Describe a country or a city in another country, without telling your partner the name of this place. Your partner will try to guess which country or city you are describing.

In this country / city there is / are...

This country / This city is in the north / south / west / east of Africa/Asia/North America/South America/Europe/Oceania

In this country / city you can see / visit / experience...

... is famous for...

Task 1:

In which countries or cities would you like to live? What appeals to you about these places?

For example:

Weather / climate

Culture

Language

Landscape

Economy / employment market

Interesting / beautiful / exotic / rich in culture / good employment prospects / ...

Task 2:

Have you ever lived in another country? Compare your experiences.

If yes, tell your partner about your experience abroad.

For example:

- In which country? In which city?
- How long?
- What was this country / city like?
- Did you like this experience? Why (not)?
- What did you do there?
- Was it easy to meet people there?

I lived / worked / studied / travelled in...

X days / weeks / months / years

I liked it a lot. / I quite liked it. / I didn't like it very much. / I didn't like it at all.

If no, discuss the following questions:

- Do you have plans to live in another country in the future?
- What do you find attractive about living in another country? What are the disadvantages?
- Do you know somebody who has lived in another country? What do you know about his/her experiences?

I plan to live / work / study / travel in ...

Living in Barcelona / Italy / New York / China appeals to me because...

I can tell you about the experiences of my brother / sister / best friend / a good friend. He / She has experience of living / working / studying / travelling in a different country.
