

Your experiences with student jobs

Pre-task:

What are typical student jobs in your countries?

For example:

Working as a waiter / waitress in a pub / restaurant

Working as sales assistant in a shop

Working in a call centre

Task 1:

Discuss whether you have a student job.

If yes, tell your partner about your job, for example:

- What kind of job is it?
- What are your duties?
- Do you work during or outside of term-time?
- How many hours per week?
- How are your boss and your colleagues?
- Do you like your job? Why (not)?

If not, you could talk about the following:

- Reasons for not having a student job
- Whether you are currently looking for a job

- Tell your partner about student jobs that your friends might have

In my student job I have to...

I like about my student job that I...

To work full-time / part-time

I work from... till...

My duties include...

Task 2:

Compare whether many students at your university have a job and whether it is easy to find a job where you live. What do you think are the advantages and disadvantages of having a job as a student?

At my university many / some / a few students have a job.

It is (not) common for students...

There are pros (=advantages) and cons (=disadvantages)
