

Your everyday life at university

Pre-task:

Brainstorm some vocabulary: what are common activities for students?

For example:

Writing an essay

Doing homework

Going to the library

Going out with friends

Task 1:

Find out what the life of your partner at university looks like. What activities does he/she enjoy?
What activities does he/she not enjoy much?

Ask your partner questions about his/her student life, for example about:

- timetable at university
- accomodation
- friends
- parties
- extra-curricular activities
- food / cooking

QUESTIONS:

How is / are...?

What is your favourite...?

Where...?

When...?

How many...?

With whom...?

At what time...?

ACTIVITIES:

Doing sports

Going to the gym

Playing football / tennis / volleyball

Singing in a choir

Socialising with friends

Going on trips

Learning languages

Task 2:

Tell your partner about your everyday life at university, for example:

- Things you enjoy doing
- Things you have to do
- Activities you would do next term

Examples:

I enjoy going to the pub with my friends.

I have to do a lot of reading for my course.

At the moment, I am not doing any sports, but next term I would like to join the gym.
