

Finding a place to live

Pre-task:

Find flat rental ads similar to the ones under the following [Link](#).

Task 1:

What kind of information can you find on a flat/house or room advertisement? Is it difficult to find accommodation where you live? How much does a room or a flat/house cost?

Bedroom
Bathroom
Access to the kitchen
Garden
Terrace
Square meters
Utilities (electricity, gas, water, phone, Internet connection)

Task 2:

Role play: you are moving to your partner's town for a few months and you need to find a place to live. Call one of the above ads and ask for more information and make an appointment to see it. Your partner will play the role of the landlord.

Example for activity:

- Good morning. I'm looking for a flat and I've seen your ad. Is the flat still available?
- Yes, it is.
- Could you give some more details about the flat?
- Of course. It has 2 bedrooms...
- Thank you! When could I go to see it?
- ...
