

Flight and integration

Task 1:

What do you know about refugees and asylum seekers? How many are there in your country? What happens with them? Do you know any refugees or have you ever participated in an aid project for refugees?

Task 2:

Look at the cartoon below together and describe it:

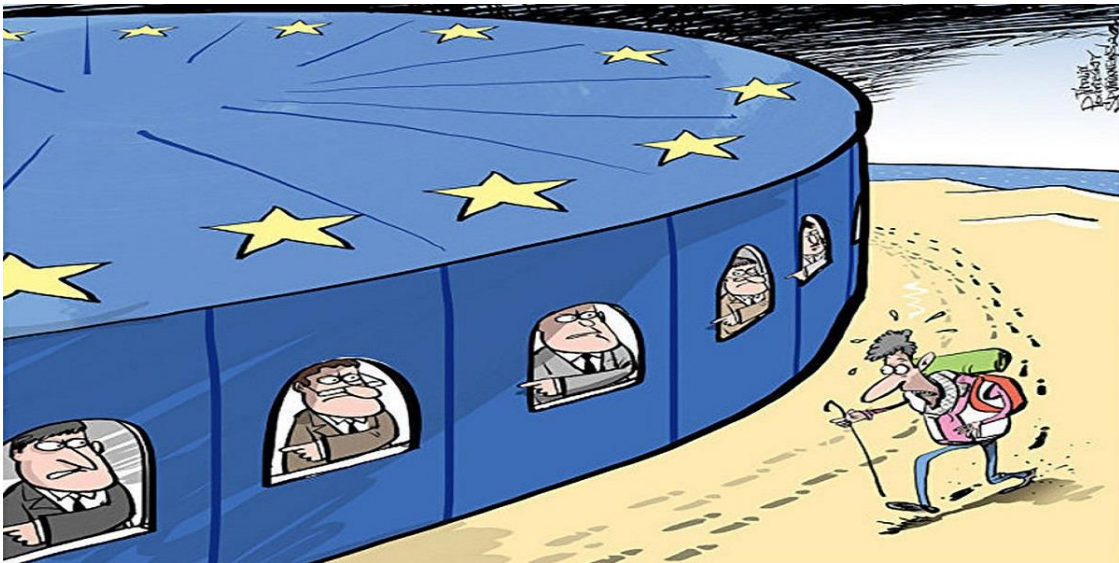

Image 1

Which problem is depicted here? Which problems concerning refugees are highlighted in your country's media?

Task 3:

Discuss whether refugees coming to Europe should, in your opinion, be distributed among the EU countries on the basis of a quota system. Why (not)?

Task 4:

Discuss: What could be done to improve the integration of immigrants/refugees? Advise your partner what s/he could do to integrate into your country.
