

Finding your way

Pre-task:

Find a map of one of your towns (similar to the one below).

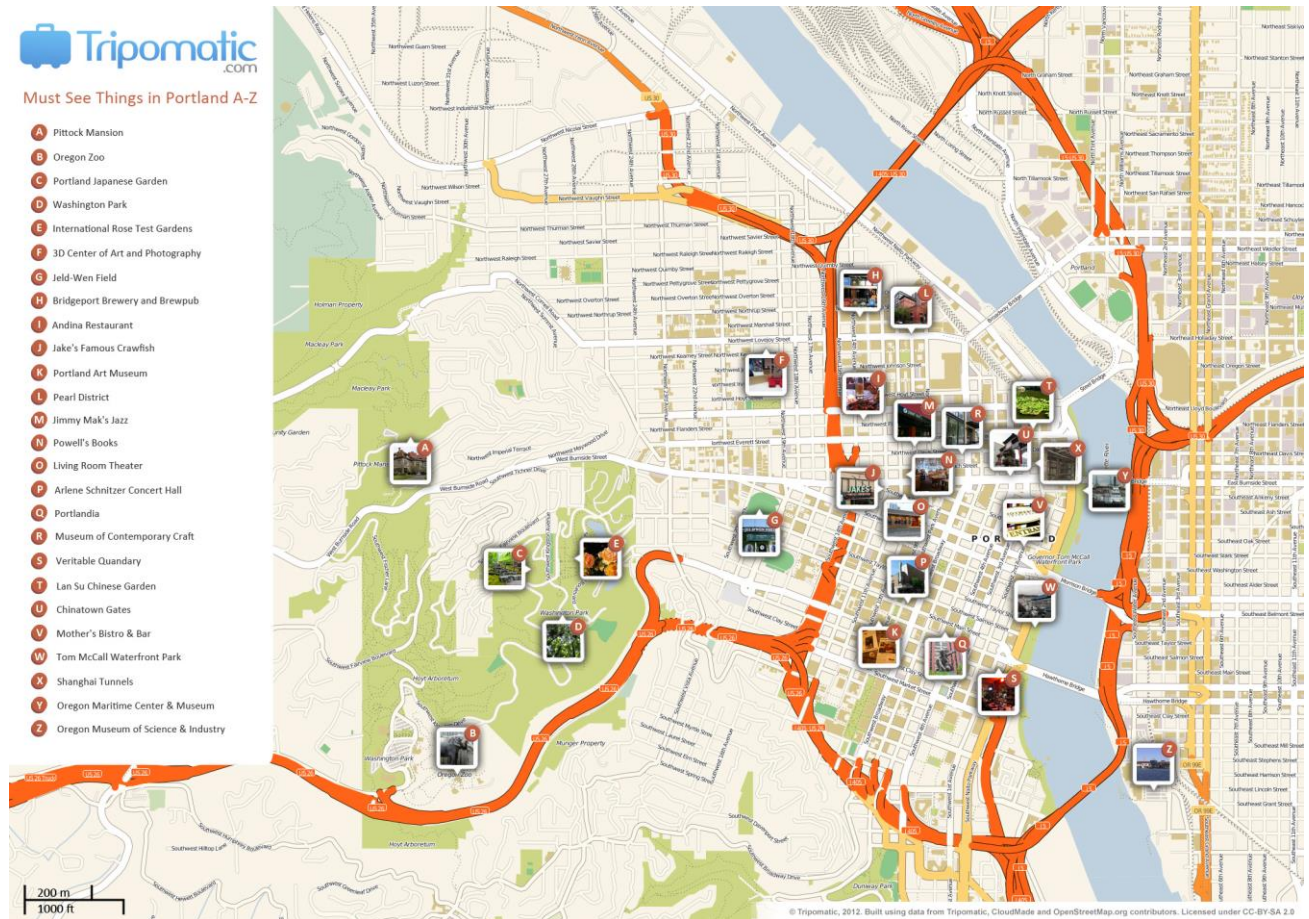

Image 1

Task 1:

Tell your partner about interesting things to see and do and where they are.

There is/are...

Near...

You can visit...

My favourite place is...

Task 2:

Find a central location and lead the way from there towards a landmark. Don't say what it is. Your partner should tell you where he/she ends up.

Turn right

Turn left

Go ahead

Take the 2nd/3rd left/right

It's on your right/left

It's next to...

Follow-up activity:

In your country, how do you get a stranger's attention if you need help? How do you ask for directions? Find a central location on the map and let your partner ask for directions to somewhere in your town.
