

# Introduce Yourself

Image 1

## Task 1:

Introduce yourself to the other student by giving information about the following items: name, age, studies, place where you live, likes and dislikes, family/friends.

I like / love / adore ...

I am mad / crazy about ...

I am fond of ...

I don't mind / I don't really care ...

I am not a great fan ...

I dislike / hate / detest / loathe ...

I can't stand / I can't bear ...

## Task 2:

Share with your partner 5 meaningful numbers connected to you (example: the year you were born, number of siblings...). Don't include information from activity a. Your partner should guess what those numbers refer to.
