

Celebrities

Task 1:

What are the pros and the cons of being a celebrity?

Do you think it is moral to sell your private life?

What do you think of the paparazzi?

Think about a celebrity you admire/despise and explain why.

Task 2:

Find out about the circumstances of the death of Diana, the Princess of Wales. Was it just a tragic accident or someone (the paparazzi, the magazines, the reader, etc.) are accountable for what happened to her?
