

Traveling broadens the mind

Pre-task:

What do the following quotes mean? Talk with your partner about their meaning.

'Never go on trips with anyone you do not love.' Ernest Hemingway (1899-1961)

'A man travels the world over in search of what he needs and returns home to find it.' George A. Moore (1852-1933)

'Every perfect traveller always creates the country where he travels.' Nikos Kazantzakis (1883-1957)

Task 1:

What's better: package tours or self-organised trips? Which advantages and disadvantages do these two types of travel have? Which one is your favourite? Discuss with your partner.

Task 2:

What's your take on these questions? Has the concept of travel changed over the years? What's different today? Also, think about what might have caused these changes.
